MOOD:  loved

MUSIC: Sister Sledge - We Are Family

Hey. You know, last year, I thought I was starting a new career.

I didn't realize it came with a family.

In celebration, I bring you a song of my childhood.

1979. Fear it.

Yes, I've spent far too much of my life in bars. Got a problem with it?

God, I'm maudlin when I'm hungover and *old*. I think I might even hug the Cowboy, if I thought I could get away with it.

...Duke, you hug him for me.

Thank you

This is Patricia Andreoli, wife of Daphne Worth, who you all knew as Trollcatz. Daphne died

...And there goes the weekend

But hey, we got a day and a half of this one! And I got to sleep in for two whole mornings. Too bad

There is no power on earth that can make me watch that video.

Also, do you mind if I wait until his coffee cup is empty?

By all means. Bide your time.

Damn, I'd pay to see that. What a shame there can be no web-cam in your sanctum.

And if a platypus were to record it for posterity, it might be the death of the Adorable Overhyped Phone.

lurk *lurk* *lurk*

Hey, I'll hug him for you. Takes more than a Giant Stone-faced Cowboy to scare me.

I could hug him too.

And when he asks, we'll tell him it's the Harpy's birthday present.

I'd beg you not to do any such thing, but I know the two of you better than that. *g*

Public birthday humiliation. It's traditional!

...I always forget he has a sense of humor.

Nor did I know he can waltz.

(You think he figured it out after Duke, or after the Wabbit? Because he was totally lying in wait for me.)

Best part? Mom coming out of her office, obviously about to ask somebody a question, looking at the line by the Cowboy's desk, and turning right around, walking back inside, and shutting the door.

You did good, for someone who's used to leading. *g*

I should have asked him if he minded if I stood on his feet.

Anyway, I totally should have been leading. I'm taller.

It wouldn't be a proper waltz without some kind of music.

Dah-dah-dah-dah-dah dah-dah dah-dah!

The short-haired one has a highly developed sense of self-preservation. Even I wouldn't dance in those heels, man.

Hey, you're not old! You're barely ready to take out of the oven!
